

## Free Youth Golf Summer Camp Expanding

The First Tee of Shawnee County, an introductory golf program for youth grades 1-12, has added Friday sessions beginning on July 9 at Lake Shawnee Golf Course. The new sessions will last 2 hours each and be for a limited enrollment. Limited transportation is available.

The camps are geared to introduce youngsters to the game of golf and the life skills the game teaches. Equipment will be provided and there is no cost to participate.

The First Tee of Shawnee County, an initiative of Community Action, Inc., influences the lives of young people by providing educational programs that promote character-development and life-enhancing values in a fun-filled atmosphere through the game of golf. Now in its third year, it is a partnership between Community Action, Inc., Shawnee County Parks and Recreation, Wal-Mart, The First Tee Foundation, The United States Golf Association, and private donors.
